PLEASE NOTE: To ensure speedy turnaround time, this correspondence is being sent by email only. MUHREC will endeavour to copy all investigators on correspondence relating to this project, but it is the responsibility of the first-named investigator to ensure that their co-investigators are aware of the content of the correspondence.

Dear Researchers

Thank you for your request for amendment, submitted on 01/09/2016.

This is to advise that the following amendments have been approved as outlined in your application. A brief summary of the changes is included below:

Changes to Procedures

- Participants attending Baker IDI to also undertake a resting ECG assessment and a BP reading

Approved Documents

- Amended Explanatory Statement
- Amended Consent Form

Please note the following additional request from the Committee:

1. In the Explanatory Statement under "what does the research involve" under dot point 3, sub-dot point 2, please add the ECG and BP measurement. i.e. "-----overnight blood sample, ECG and blood pressure measurement,-----". Please forward a copy of the revised Explanatory Statement when this has been amended.

Thank you for keeping the Committee informed.
