Subject: MORSim – invitation to interview

Dear (Name),

I am inviting you to a 20-

30 minute interview, to understand your views about the implementation of MORSim (Multidisciplinary Operating Room Simulation) in your District Health Board.

The interview can be conducted over the phone or via videoconference at a time that suits you. We recommend that a private location is chosen to avoid you being overheard.

Ideally the interview would be during Monday to Thursday (when I am available). However if Friday suits you better the MORSim coordinator Carmen Skilton can be available. Please let us know what date/time is best for you.

Please see the Participant Information Sheet attached. If you have any questions, please don't hesitate to ask.

If you are happy with the information provided and would like to participate in an interview, please review the 'declaration by participant' bullet points below and reply to this email with the wording "***I agree.***" Please also indicate if you would like to receive a copy of the results.
