Dear Dr Dorstyn

**ETHICS APPROVAL No:** H-2018-128  
**PROJECT TITLE:** Effectiveness of patient education in changing stroke survivor attitudes toward unregulated and experimental stem cell treatments: a randomized controlled trial

The ethics application for the above project has been reviewed by the Human Research Ethics Committee and is deemed to meet the requirements of the *National Statement on Ethical Conduct in Human Research (2007)*.

You are authorised to commence your research on: 18/06/2018

The ethics expiry date for this project is: 30/06/2021

**NAMED INVESTIGATORS:**

Chief Investigator: Dr Diana Dorstyn  
Student - Postgraduate  
Doctorate by Research (PhD): Mr David John Unsworth  
Associate Investigator: Professor Jane Mathias  
Associate Investigator: Professor Simon Koblar

**CONDITIONS OF APPROVAL:** Thank you for the revised ethics application dated 14 June 2018 in response to the matters raised.

Ethics approval is granted for three years and is subject to satisfactory annual reporting. The form titled Annual Report on Project Status is to be used when reporting annual progress and project completion and can be downloaded at <http://www.adelaide.edu.au/research-services/oreci/human/reporting/>. Prior to expiry, ethics approval may be extended for a further period.

Participants in the study are to be given a copy of the information sheet and the signed consent form to retain. It is also a condition of approval that you immediately report anything which might warrant review of ethical approval including:

- serious or unexpected adverse effects on participants,
- previously unforeseen events which might affect continued ethical acceptability of the project,
- proposed changes to the protocol or project investigators; and
- the project is discontinued before the expected date of completion.

Yours sincerely,

Professor Paul Delfabbro  
Convenor
