

Macquarie MINDS: Monitoring of Injury and psychosocial health outcomes, career trajectories and continuing education, lived experiences and Social connectedness

DATA ACCESS - APPLICATION FORM

1. Project title

--

2. Applicant information

Person responsible for this application (for research purposes, specify the Principal Investigator)

Title/Name:	_____
Position:	_____
Organisation:	_____
Department:	_____
Faculty:	_____

3. Co-Investigators

Title	Name	Organisation

4. Intended uses of the data

<p>Include anticipated publications, reports, conference presentations, PhD/Masters topic, etc.</p>

5. Hypothesis or research questions and aims

If applicable, please provide a short description of your research project (<1000 words). This should be in the form of an extended abstract, and include background, aims, method and planned analysis.

6. Data required (tick cohort years required)

- 2018
 2019

7. Variables justification

Justify why the requested variables are necessary to answer the research questions, outline above.

8. Data variable checklist

Have you attached the data variable checklist?

Yes No

9. Security and storage of data

List all locations where the data will be stored and analysed and specify measures taken to ensure security of information from misuse, loss or unauthorised access during and after the project.

10. Data retention and disposal plan

Specify the period of data retention following the completion of the project and how information will be destroyed.

11. Funding

Is this a funded project? Yes No

If yes, who has funded the project? _____

12. Ethics application

Have you applied ethics approval? Yes No

Have you received ethics approval? Yes No

If yes, please attach a copy of the approval letter and all other project documentation submitted with the application.

If no, evidence of this approval MUST be provided before the data is released (refer to the Data Access Policy).

Signature of Applicant: _____

Date: _____

Office Use Only

Approved by the MQ-MINDS Data Access Sub-Committee: Yes No

Signature of Chairperson: _____

Date: _____

MQ MINDS - DATA VARIABLE CHECKLIST

The provision of MQ-MINDS data for the data variables listed below is subject to the approval of the MQ-MINDS Steering Committee via the Data Access Sub-Committee. The list below relates to the current approved version of the MQ-MINDS Data Dictionary. Variables that may identify individual participants have not been included in the checklist.

Check the box for each variable requested.

	Variable
<input type="checkbox"/>	Basic socio-demographics
<input type="checkbox"/>	Accommodation
<input type="checkbox"/>	Living arrangements
