**This letter constitutes ethical approval only. You must NOT commence this research project at ANY site until you have submitted a Site Specific Assessment Form to the Research Governance Officer and received separate authorisation from the Chief Executive or delegate of that site.**

Dear Ms Witney-Cochrane,

**Re: Protocol No X18-0441 & HREC/18/RPAH/632 - "Total Parenteral Nutrition versus oral diet progression post pancreaticoduodenectomy procedure to evaluate the role of parenteral nutrition on patient functionality"**

The Executive of the Ethics Review Committee, at its meeting of 12 December 2018 considered your correspondence of 27 November 2018 and 11 December 2018. In accordance with the decision made by the Ethics Review Committee, at its meeting of 14 November 2018, ethical approval is granted.

The proposal meets the requirements of the *National Statement on Ethical Conduct in Human Research*.

This approval includes the following:

- HREA (AU/1/07C939)
- Protocol (Version 5, 26 November 2018)
- Study Design Flow Chart (Version 2, 5 October 2018)
- Information for Participants (Master Version 3.1, 11 December 2018)
- Participant Consent Form (Master Version 2, 26 November 2018)

- Master Code Sheet (Version 1, 5 October 2018)
- Data Collection Form (Version 3, 5 October 2018)
- EQ-5D Questionnaire (Version 1, 5 October 2018)
- Food Diary (Version 1, 5 October 2018)
- Subject Global Assessment (Version 1, 5 October 2018)

You are asked to note the following:

**On the basis of this ethics approval, authorisation may be sought to conduct this study within any NSW/QLD/VIC/SA/WA/ACT public health organisation and/or within any private organisation which has entered into an appropriate memorandum of understanding with the Sydney Local Health District, Sydney Local Health Network or the Sydney South West Area Health Service.**

The Committee noted that authorisation will be sought to conduct the study at the following site:

- Royal Prince Alfred Hospital
- This approval is valid for four years, and the Committee requires that you furnish it with annual reports on the study's progress beginning in **December 2019**. If recruitment is ongoing at the conclusion of the four year approval period, a full re-submission will be required. Ethics approval will continue during the re-approval process.
- This human research ethics committee (HREC) has been accredited by the NSW Department of Health as a lead HREC under the model for single ethical and scientific review and is constituted and operates in accordance with the National Health and Medical Research Council's *National Statement on Ethical Conduct in Human Research* and the *CPMP/ICH Note for Guidance on Good Clinical Practice*.
- You must immediately report anything which might warrant review of ethical approval of the project in the specified format, including unforeseen events that might affect continued ethical acceptability of the project.
- You must notify the HREC of proposed changes to the research protocol or conduct of the research in the specified format.
- You must notify the HREC and other participating sites, giving reasons, if the project is discontinued at a site before the expected date of completion.
- If you or any of your co-investigators are University of Sydney employees or have a conjoint appointment, you are responsible for informing the University's Risk Management Office of this approval, so that you can be appropriately indemnified.

- Where appropriate, the Committee recommends that you consult with your Medical Defence Union to ensure that you are adequately covered for the purposes of conducting this study.

Should you have any queries about the Committee's consideration of your project, please contact me. The Committee's Terms of Reference, Standard Operating Procedures, membership and standard forms are available from the Sydney Local Health District website.

A copy of this letter must be forwarded to all site investigators for submission to the relevant Research Governance Officer.

The Ethics Review Committee wishes you every success in your research.

Yours sincerely,

**Sanaa Thomas**
