Dear Ms Lam,

Clearance Number: 2018000825

Project Title: "(2016/923) Ridge preservation in prevention of sinus augmentation"

Following administrative review of the human research ethics approval from Griffith University Human Research Ethics Committee, I am pleased to advise that, as the University of Queensland's authorised delegate for the University of Queensland's Human Research Ethics Committees A & B, approval is granted for this project.

Approval has been based on the already reviewed documents in the application and Griffith University HREC Approval Letter dated 16/03/2017.

Additionally the following documents are noted and/or approved:

Document	Version	Date
UQ Information Sheet	1	24/04/2018
UQ Consent Form	1	24/04/2018

This project has been approved to 31 July 2018 to allow researchers an opportunity to submit an application to The University of Queensland HREC for review should an extension be required.

Furthermore, conditions of the University of Queensland HREC Approval, require the researcher to provide an annual report and a final report on completion of the study (copy of lead HREC report will suffice). On commencement of this research, the researcher provides an undertaking to notify the University of Queensland's Human Research Ethics Office of all complaints or adverse events that may arise from this research.

Please keep a copy of this document for your records.

Kind regards,

Chris Rose Meyer
Governance Officer
