Dr Brett Pearce
Austin Health

16 May 2018

Dear Dr Pearce

AU RED HREC Reference Number: LNR/18/Austin/250

Austin Health Project Number: Audit 18/250

Project Title: Peak serum potassium levels during reperfusion for liver transplantation: A single centre quality improvement project.

Reviewing HREC: Austin Health Human Research Ethics Committee (EC00204)

HREC Approval Date: 16/05/2018

SSA Authorisation Date: 16 May 2018

I am pleased to advise that the above project satisfies Austin Health's governance requirements and may now be conducted at Austin Health. Conduct of the project is subject to compliance with the conditions set out below and any additional conditions specified by the reviewing HREC.

SSA Approved Documents:

Document	Date
Austin Health HREC approval letter – including all listed documents	16 May 2018

Research governance

Condition of Governance Approval:

1. Researchers must comply with the Investigator's Responsibilities in Research Procedure and Good Clinical Practice (ICH GCP). The Principal Research is to ensure that all associate researchers are aware of terms of approval and to ensure the project is conducted as specified in the application and in accordance with the National Statement on Ethical Conduct in Human Research (updated March 2014).
2. The Principal Investigator must notify the 1) CPI, 2) Reviewing Human Research Ethics Committee (RHREC) and Sponsor (if applicable) of:

- All related internal Serious Adverse Events (SAE) in accordance with the NHMRC Position Statement: *Monitoring and reporting of safety for clinical trials involving therapeutic products May 2009*.
 - Any other serious adverse effects to or complaints from Austin Health participants and steps taken to deal with them
 - Your inability to continue as Principal Investigator
 - Any unexpected developments in the project with ethical implications
 - Notify the RHREC of the failure to commence the study within 12 months of the RHREC approval date or if a decision is taken to end the study at any of the sites prior to the expected date of completion.
3. You are required to inform the Research Governance Office of;
 - The actual start date of the project at Austin Health
 - Any other matters which may impact the conduct of the project at Austin Health
 - Austin Health Investigators withdrawing from or joining the project.
 4. Any amendments submitted to and approved by the RHREC, including changes to the protocol, approved documents and/or the addition of documents to be used at Austin Health, must be submitted for governance approval prior to implementation. After RHEC approval, the PI must submit a copy of all documents relating to the approved amendment, along with the RHREC approval certificate, to the Research Governance Office for approval.
 5. Any changes to the indemnity, insurance arrangements or Clinical Trial Research Agreement for this project. This includes changes to the project budget or other changes which may have financial or other resource implications for Austin Health.
 6. RHREC approval must remain current for the entire duration of the project. Investigators undertaking projects without current RHREC approval risk their indemnity, funding and publication rights.
 - 7.

You are also required to submit to the Office for Research:

8. In addition to the reporting requirements of the RHREC, you are required to submit an Annual Progress Report for the duration of the project. A copy of this report should also be submitted to the CPI. Continuation of SSA approval is contingent on submission of an annual report, due within one month of the approval anniversary. Continued SSA and HREC approval are contingent on receipt of an annual report by the RHREC and the Research Governance Office.
9. A comprehensive Final Report upon completion of the project.

The Office for Research may conduct an audit of the project at any time.

Yours sincerely

Ms Chelsea Webster
