Dear Dr Jim Kiatos,

NIIM HREC Reference number: 0046E_2018

Project title: Analysis of Patient Outcomes following Platelet Rich Plasma Treatment for Joint Osteoarthritis

Thank you for submitting the above research project for single ethical review. This project was considered by the National Institute of Integrative Medicine Human Research Ethics Committee EC00436 (NIIM HREC) at its meeting held on 26th June 2018.

I am pleased to advise you that the above research project meets the requirements of the *National Statement on Ethical Conduct in Human Research (2007)* and ethical approval for this research project has been granted by NIIM HREC (EC00436).

The nominated participating site/s in this project is/are:

Victoria University
Flinders Lane Campus
301 Flinders Lane
Melbourne Victoria 3000

National Institute of Integrative Medicine
11-21 Burwood Road
Hawthorn VIC 3122

Recreation Medical Centre
1232 High St,
Armadale VIC 3143

Malvern Health and Fitness Centre
1291 Malvern Rd,
Malvern VIC 3144

[Note: If additional sites are engaged prior to the commencement of, or during the research project, the Coordinating Principal Investigator is required to notify NIIM HREC (EC00436). Notification of withdrawn sites should also be provided to the NIIM HREC (EC00436) in a timely fashion.

The approved documents include:

Document	Date
Information for Patients having treatment	7/6/18

Letter of authorisation for Jim Kiatos	7/6/18
HREC PRP application	7/6/18
Patient Details and consent form	7/6/18
Patient Telephone survey	7/6/18
PRP Protocol	7/6/18

Approval of this project from NIIM HREC (EC00436) is valid from 01/06/2018-31/12/2018, subject to the following conditions being met:

- The Coordinating Principal Investigator will immediately report anything that might warrant review of ethical approval of the project.
- The Coordinating Principal Investigator will notify the NIIM HREC (EC00436) of any event that requires a modification to the protocol or other project documents and submit any required amendments in accordance with the instructions provided by the HREC.
- The Coordinating Principal Investigator will submit any necessary reports related to the safety of research participants in accordance with NIIM HREC EC00436) policy and procedures.
- The Coordinating Principal Investigator will report to the NIIM HREC (EC00436) annually in the specified format and notify the NIIM HREC (EC00436) when the project is completed at all sites.
- The Coordinating Principal Investigator will notify the NIIM HREC (EC00436) if the project is discontinued at a participating site before the expected completion date, with reasons provided.
- The Coordinating Principal Investigator will notify the NIIM HREC (EC00436) of any plan to extend the duration of the project past the approval period listed above and will submit any associated required documentation.
- The Coordinating Principal Investigator will notify the NIIM HREC (EC00436) of his or her inability to continue as Coordinating Principal Investigator including the name of and contact information for a replacement.
- The changes to documentation as set out below are made.

A copy of this ethical approval letter must be submitted by all site Principal Investigators at each participating institution in a timely manner to enable the institution to authorise the commencement of the project at its site/s.

This letter constitutes ethical approval only. This project cannot proceed at any site until separate research governance authorisation has been obtained from the CEO or Delegate of the institution under whose auspices the research will be conducted at that site.

Should you have any queries about the NIIM HREC's (EC00436) consideration of your project please contact Amber Moore. NIIM HREC (EC00436) Terms of Reference, Standard Operating Procedures, membership and standard forms are available from the NIIM HREC Administrator Kelly Besim.

The NIIM HREC (EC00436) wishes you every success in your research.

Yours faithfully,

Alan Hayes
Chair person

National Institute of Integrative Medicine Human Research Ethics Committee (EC00436)
