Subject: Approval for research proposal "Effect of spinal decompression with and without oxygen therapy in patients with lumbar disc protrusion" with Ref # Riphah/RCRS/REC/00235

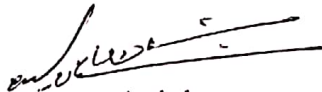

Dear Muhammad Fawad,

On behalf of the Research Ethical Committee (*REC*), this is my privilege to inform you that *REC* has reviewed your thesis proposal entitled, "Effect of spinal decompression with and without oxygen therapy in patients with lumbar disc protrusion" carefully. Committee recommends that the proposal may be commenced as planned.

Please note that this approval is for a period of one year only from the date of issuance and will require fresh approval if the study requires extension. If you make any changes to the protocol during this period, you are advised to submit a revised protocol to *REC* for approval before implementing the changes. In case of a query regarding the *REC*'s observations, please feel free to contact at: imran.amjad@riphah.edu.pk.

With kind regards

Sincerely

Dr. Imran Amjad

Secretary, *REC*, *RCRS*
