GRIFFITH UNIVERSITY HUMAN RESEARCH ETHICS REVIEW

Dear Prof Roy George

I write further to the additional information provided in relation to the provisional approval granted to your application for ethical clearance for your project "Photobiomodulation induced dental analgesia in humans: A clinical trial" (GU Ref No: 2022/668).

This is to confirm that this response has addressed the comments and concerns of the Griffith University Human Research Ethics Committee (GUHREC).

The GUHREC resolved to grant your application a clearance status of "Fully Approved".

Consequently, you are authorised to immediately commence this research on this basis.

Regards

Kim Madison
Policy Officer, Research Ethics
