By accessing and/or using the University of Newcastle (2023) Clinical Management Protocol Combined Oral Contraception and University of Newcastle (2023) Clinical Management Protocol Progestogen-Only Contraception [the Protocols], you agree to these Terms of Use. You should review the Terms carefully and immediately cease using the Protocols if you do not agree to these Terms.

The Protocols are protected by copyright. Your right to use the Protocols is limited to the terms and conditions below.

You may use the Protocols solely as intended in professional practice and/or with patients, downloading, saving, or printing the Protocols as applicable, and following any directions outlined in the Protocols. Where you download and save the Protocols you should regularly check for updates to ensure that you are accessing the most recent version.

Use of the Protocols for training purposes, including the images and content within, is limited to the Expansion of the NSW Government-Sponsored Clinical Trial: Management of Urinary Tract Infections by Community Pharmacists to include oral contraception and management of minor skin conditions. Approval for any training use outside of this Trial can be sought from NSWPharmacyTrial@newcastle.edu.au.

You may not otherwise reproduce, publish, share, distribute, transmit, communicate, sell, or exploit any of the Protocols without prior written approval from the University of Newcastle, except as allowed under the Copyright Act 1968 (Cth). Where use is permitted under an exception in the Act you agree to reference the Protocols by their correct names and credit the University of Newcastle.

You may not alter the Protocols in any way or create any adaptation or derivative work from the Protocols, including translating the Protocols into other languages, without prior written approval from the University of Newcastle.

You acknowledge that the Protocols are being provided 'as is' and the University of Newcastle does not make any warranty with respect to the Protocols and shall not have any liability with respect to the Protocols or use of the Protocols, including without limitation any direct, indirect, special, incidental, punitive, consequential, or other damages.

You hereby waive and agree to release the University of Newcastle from and against all claims, liabilities, and damages of any kind arising out of your use of the Protocols.
